Garnduwa Amboorny Wirnan Aboriginal Corporation - The name means 'big mob of people getting together to do something	The Deadly Diva Day (DDD) aims to encourage participation in sport and recreational activities, and promote positive mental and physical health messages. It aims to inspire young women to assess the benefits of good nutrition and a healthy lifestyle, to encourage positive self-esteem and to introduce various support agencies and	6	150	Fitzroy Crossing, Broome, Kununurra, Derby, Halls Creek, Looma

	<p>services available to access. DDD was introduced as part of the Garnduwa Youth Leadership Program over ten years ago to increase participation by young women across the Kimberley community and to assist in encouraging good behaviour and school attendance. This event also assisted in the identification of potential future leaders across the region. DDD has proven itself very successful in engaging and strengthening the capacity of young women and continues to gain a vast amount of support from schools, local agencies and service providers.</p>
